Who We Are

Harva Developments is a prominent real estate developer that stands at the forefront of the industry.

Born from a powerful collaboration between two giants in the real estate industry, DIG and Westway Developments.

With a track record of delivering exceptional projects, Harva has established itself as a trusted name in the real estate industry. Harva has amassed over 10 years of knowledge and expertise in developing outstanding commercial, residential, administrative and medical projects in key areas such as the New Administrative Capital and Western Cairo.

Our team comprises talented individuals who possess deep understanding of the industry and a passion for creating remarkable spaces.

With our expertise, we bring forward a diverse portfolio of projects, not limited to residential developments but also encompassing commercial, administrative and medical projects.

As we continue to shape the real estate landscape, we take pride in our ability to make a lasting impact on communities.

Vision

To be a leading real estate developer, recognized for our innovative and sustainable projects that enhance communities and enrich lives.

Mission

Is to create exceptional spaces that surpass expectations, providing a high-quality living and working environment while fostering harmonious communities.

Through our vision and values we strive to make a positive and lasting impact in the real estate industry.

Values

Excellence:

We are dedicated to achieving excellence in every aspect of our work. We pursue the highest standards of quality, craftsmanship and attention to details, ensuring that our projects stand as a benchmark of excellence in the industry.

Innovation:

We embrace innovation and continually seek new ways to push boundaries and challenge conventions, by staying at the forefront of industry trends and leveraging cutting-edge technologies, we create spaces that are forward thinking, sustainable and adaptable to future needs.

Customer Satisfaction:

Our customers are at the heart of everything we do. We listen attentively to their needs, aspirations and feedback. Also, we strive to exceed their expectations. We believe in building strong relationships based on trust, transparency and open communication.

Integrity:

We conduct ourselves with the utmost integrity, maintaining honesty, transparency and ethical behavior in all our dealings. We are committed to upholding the highest standards of professionalism, accountability and fairness in our interactions with clients, partners and stakeholders.

Our Approach

Variety is the cornerstone of Harva Developments' approach to real estate development.

By creating a diverse range of residential, commercial, administrative and medical projects, we ensure that we meet the unique needs of our customers and the community.

We adopted variety because we know that it can enhance economic growth and promotes a sense of belonging.

At Harva, we embrace this diversity as the key to creating spaces that truly reflect and serve the vibrant communities we are privileged to be a part of.
