

WHITE

RESIDENCE

A woman with short brown hair, wearing a white long-sleeved top and light blue culottes, is walking a tan and white dog on a leash through a grassy field. She is holding a pair of sunglasses in her right hand. The background shows a line of trees and a building in the distance. The scene is bathed in warm, golden light, suggesting late afternoon or early morning.

**MORE SPACE TO BREATHE.
MORE NATURE TO ENJOY.
MORE CALM TO COME HOME TO.**

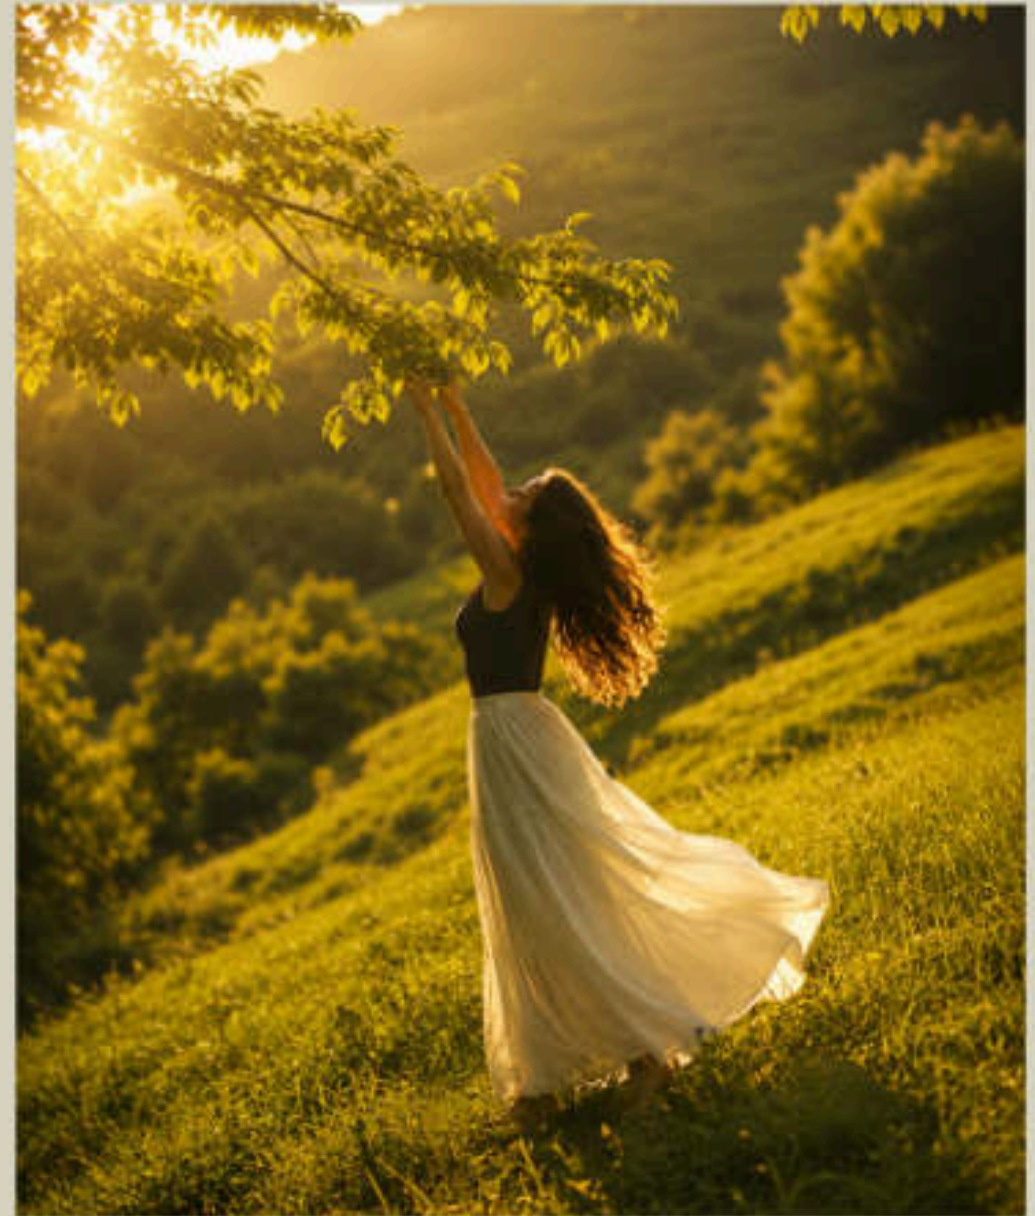

White Residence is a refined residential community created for those who appreciate space, serenity and a more balanced way of living.

WHERE SPACE BECOMES A LIFESTYLE

At White Residence, the quality of life begins with the quality of space.

Set across 9 feddans in Sheikh Zayed City, the project has been thoughtfully planned with only 25% building footprint, allowing the community to embrace a more open, refreshing and visually calming environment.

Landscaped greenery, artificial lakes and carefully selected lifestyle amenities come together to create a residential destination where everyday living feels lighter, quieter and more connected to nature.

PLDG, BUILDING VALUE, DELIVERING TRUST

Since its establishment in 2014, PLDG Development has built a reputation for delivering high-quality residential communities that combine thoughtful planning, superior construction standards, and enduring value.

With a proven track record of more than 86 successfully delivered projects, including villas, residential buildings, integrated compounds, and coastal developments, PLDG has become a trusted developer across Sheikh Zayed, 6th of October City, Hadayek October, and Egypt's North Coast. The company's portfolio features five fully integrated residential communities, each reflecting PLDG's commitment to strategic location selection, meticulous attention to detail, and on-time delivery. At PLDG Development, every project is guided by a simple philosophy: creating exceptional living environments that enhance everyday life while delivering sustainable long-term value for homeowners and investors.

ROADS TO WHITE RESIDENCE

White Residence is located in Sheikh Zayed City, offering a residential setting shaped around comfort, calmness and modern community living.
A destination designed for those who value

SERENE MASTER PLAN

A nighttime photograph of a modern residential complex. Two tall, dark buildings with illuminated window frames and balconies stand on either side of a central entrance. A dark car is in the foreground, and another car is further back on the driveway. The entrance is flanked by a low wall with the project name. The sky is dark, and the scene is lit by warm interior and exterior lights.

THE PATH THAT LEADS YOUR HOME

A thoughtfully designed journey through greenery, water, and open spaces, leading to a home where tranquility, elegance, and modern living exist in perfect harmony.

WHITE
RESIDENCE

MODERN LIVING, REFINED BY NATURE

White Residence brings together contemporary architecture, expansive green landscapes, and tranquil water features to create a residential experience defined by balance and sophistication. Thoughtfully designed to maximize openness and comfort, every detail reflects a modern lifestyle surrounded by nature, elegance, and everyday wellbeing.

DESIGNED TO INSPIRE

More than a residential building, White Residence is a statement of contemporary living. Characterized by striking architecture, abundant natural light, and seamless integration with its surroundings, it creates an elevated lifestyle experience for those who appreciate refined design.

A NEIGHBORHOOD DESIGNED AROUND OPEN SPACE

With only 25% building footprint, White Residence creates a unique balance between architecture and nature, offering residents a greener, calmer, and more spacious way of life.

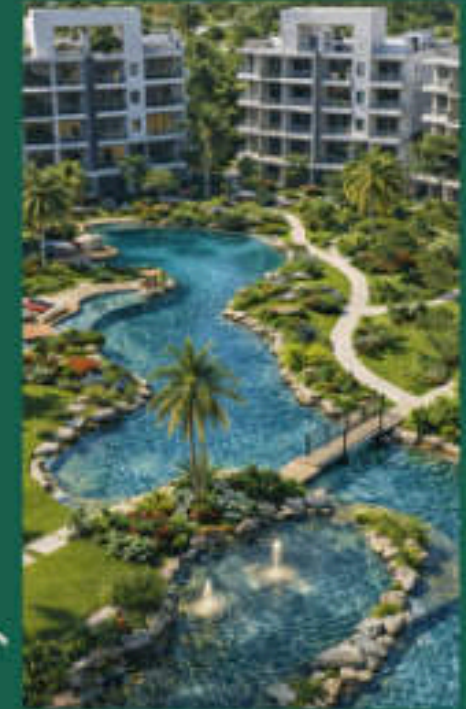

Beyond the architecture lies a landscape designed to inspire. Lush greenery, serene pathways, and beautifully crafted outdoor spaces create an atmosphere where residents can unwind, connect, and enjoy a more balanced way of living.
